**Vietnam Veterans Interviews
Joint Project of Franklin and Marshall College
and the
U.S. Army Military History Institute, Carlisle, PA**

Director: Anthony Ugolnik, English Department
Franklin and Marshall College

The Vietnam Veterans Oral History Project interviews were first conducted in the Spring semester of 1987 by Franklin & Marshall College (F & M) students enrolled in Professor Anthony Ugolnik's course, "Vietnam Literature." Additional offerings of the course in Spring 1989, Fall 1991, Fall 1993 and Spring 1998 (as the 400-level seminar "Vietnam Authors") have resulted in additional interview materials.

The following is a list of the interviews conducted. Copies of the interview transcripts are located in the office of the F & M English Department, in the F & M College Archives and Special Collections Department, and at the U.S. Army Military History Institute, Carlisle, PA. Some interviews may be restricted and not available for public viewing.

The first section lists the transcripts alphabetically by name of **interviewee**; the second section provides an alphabetical list of the **interviewers**.
